EXHIBITOR PROSPECTUS

YOU'RE INVITED!

The Applied Superconductivity Educational Foundation (ASEF) invites your Company to exhibit at the **2026 Applied Superconductivity Conference**, which is considered the conference of choice for individuals within the superconductivity community. **ASC 2026 will be held September 6 – 11, 2026 in Pittsburgh, Pennsylvania, USA, at the David L. Lawrence Convention Center.** A myriad of technical and special sessions will update scientists and engineers within the superconductivity community with the latest scientific and technical developments. The conference will include plenary, oral, and poster sessions as well as various social events.

A major superconductivity Exhibition will be held in conjunction with the technical conference in the same facility, the David L. Lawrence Convention Center. The professional Exhibition **begins at 2:30 p.m. on Monday, September 7 and ends at 11:00 a.m. on Thursday, September 10.** An Exhibitor Reception is to be held on Tuesday, September 8.

The ASC 2026 Exhibition will feature a large number of exciting exhibit companies consisting of product manufacturers and service providers concerned with the field of superconductivity as well as other related areas. This is an exceptional opportunity to present your company's latest products, services, and techniques in an intimate setting to a sophisticated audience sharply focused on this market. The exhibition offers your company a valuable opportunity for one-on-one interaction with researchers from industries, universities, and both private and government laboratories who are involved in making and/or influencing purchasing decisions for their companies and institutions.

CANCELLATION

If written notice of cancellation is received by **Wednesday, July 29, 2026**, an administrative fee of 20% of the total booth fee will be retained. Cancellations after July 29, 2026, will result in forfeiture of the exhibit fee.

DECORATOR & EXHIBITOR SERVICE KIT

Fern is the official decorator for ASC 2026 and will provide the official Exhibitor Service Kit for the Exhibit Hall. The Exhibitor Service Kit will be made available and emailed directly from the exhibit decorator. An email notification will be sent to the contact person of each exhibit company when this information is made available.

The kit will contain all necessary information required for ordering services from the exhibit decorator and all other selected ancillary suppliers. The kit will outline shipping, drayage and material handling instructions and include pre-printed shipping labels.

Booth furnishings, audio visual, graphics and other fee-based show services can be ordered from the exhibit decorator using the service manual. Electrical services can be ordered through the Exhibitor Service Kit portal provided by the Decorator. The David L Lawrence Convention Center provides electric services and a link in the kit will connect to electrical service order form.

SPECIAL REQUESTS

Nitrogen and Oxygen tanks are allowed on the event floor with prior approval by the Fire Marshal. Helium and Nitrous oxide tanks need to be removed prior to show opening. OSHA requires that all containers be properly labeled and display appropriate warnings. Tanks must be firmly secured in the upright position with valves protected against damage. Nitrous oxide and Oxygen tanks over 250 cubic feet are prohibited. Oxidizing gases (Oxygen or Nitrous oxide) in amounts in excess of 503 cubic feet may only be used in public assembly areas under permit for Hazardous Materials. Exhibitors displaying or using hazardous materials must notify **Centennial Conferences** via **email no later than June 11, 2026**. Any container not clearly labeled will be removed from within the Salt Palace Convention Center, tested and disposed of at exhibitor's expense.

All special requests should be directed to Centennial Conferences **PRIOR** to completing the online booth registration. Special requests could be, but are not limited to, needs for cooling water and drains, electrical requirements to accommodate the use of a compressor, chemical mixtures, and liquid hydrogen. If your request can be accommodated and is approved, you will receive confirmation from Centennial Conferences via email and can then register online. Please also complete the Special Needs section during the registration process.
